

CHAOS KARTS

SPEED INTO A WORLD OF IMMERSIVE RACING

- » A brand new attraction in the heart of Spinningfields Manchester - launching September 2023.
- » Incredible fully augmented reality Go-Karting experience
- » Team building that is fun for everyone

THE ULTIMATE GO-KART RACING EXPERIENCE!

An all-new attraction that combines the worlds of Go-Karting and Video games, using state-of-the-art technology to get you racing in real-life.

RACING **REIMAGINED**

With the virtual world being digitally projected around you, the experience brings you an augmented reality experience without the need for any headsets or personal screens.

It's just you, your kart, and the virtual tracks.

The experience comes complete with varying track designs, a fully reactive and drivable electric kart and most importantly, usable in-kart power-ups and weapons that will allow you to 'battle' right up to the finishing line.

THE PERFECT TEAM BUILDING EXPERIENCE
